High level mission to selected WACAF countries	November 1982	Chairman Steering Committee and UNEP
Project on control of coastal erosion (WACAF/3) initiated (FP/0503-82-??)	November 1982 - April 1984	UNESCO, UN/DIESA, UNEP
Publication of Directory of African Marine Research Centres (FP/0503-82-03)	December 1982	UNEP, UNESCO, ECA
Meeting of experts on subregional oil pollution contingency plan (FP/0503-82-??)	mid-1983	IMO, UNEP
Meeting of Steering Committee of Marine Environment (FP/0503-82-??)	mid-1983	UNEP
Workshop on contingency planning for industrial emergencies (FP/0503-82-??)	late 1983	UNIDO, UNEP
Intergovernmental review meeting to decide on programme and budget for 1984-1985	late 1983	UNEP
Intergovernmental meeting to review the implementation of the Action Plan in the period 1981-1982 and to decide on the programme and budget for 1984-1985 period. (FP/0503-82-03)	late 1983	UNEP
Workshop on environmental assessment of coastal development for East, West and Central Africa (French)	December 1983	UNEP
Seminar/workshop on control of coastal erosion in West and Central Africa	early 1984	UNESCO, UN/DIESA, UNEP
Workshop to review progress of WACAF/2 and consider a long-term marine pollution monitoring programme (FP/0503-82-??)	mid-1984	IOC, FAO, WHO, IAEA, UNEP
Workshop on environmental impact assessment of coastal development for East, West and Central Africa (English)	June 1984	UNEP

6.5 The East African Region (EAF)

Geographical coverage (provisional): the coastal waters and the adjacent coast of the African States bordering the Indian Ocean (Kenya, Mozambique, Somalia, Tanzania), and of the Comoros, Madagascar, Mauritius and Seychelles.

Activity and related project number	Timetable	Co-operative arrangements
GC VIII recommended the formulation of an Action Plan for the Region	April 1980	UNEP
Preparation of a Directory of Marine Research Centres in Africa (FP/0503-79-19)	September 1980 - December 1982	ECA, UNESCO, UNEP
Consultation (by correspondence) with the Governments of the Region on the initiation of a regional action plan. (FP/0503-77-03)	April - September 1981	UNEP
Third Inter-Agency Meeting on Regional Seas Programme (Geneva) (FP/0503-77-03)	September 1981	UNEP and relevant agencies
Exploratory mission to the States of the Region in order to identify the environmental problems of the Region and to assess each State's interest in participating in a future programme. (FP/0503-77-03)	October - November 1981	UNEP in co-operation with UN/DIESA, UNIDO, FAO, UNESCO, WHO, IMO, IUCN
Meeting of Government Experts on Regional Marine Programmes (Nairobi) (FP/0501-77-03, FP/0501-81-01)	January 1982	UNEP in co-operation with relevant organizations
Preparation of six sectoral reports and the overview on environmental problems in EAF based on the results of the exploratory mission (FP/0503-77-03, FP/0503-82-04)	January - July 1982	UNEP in co-operation with relevant organizations
Workshop on protection and development of the marine and coastal environment of the East African Region (Seychelles) (FP/0503-82-04)	September 1982	UNEP
Consultation with Governments of the Region (through mission and by correspondence) on the first draft of the Action Plan and initiation of priority programme activities (FP/0503-82-04)	October 1982 - December 1983	UNEP
Initiation of priority programme adopted by workshop, including:	January - December 1983	
(a) inventory of ecosystems, protected areas and endangered species		UNEP, IUCN, FAO
(b) training in oil pollution contingency planning and control of pollution by ships		UNEP, IMO
(c) preparation of draft regional convention, draft protocol concerning co-operation in pollution emergencies, and draft protocol on specially protected areas		UNEP, IMO, FAO, IUCN
(d) development of environmental control laboratory in the Seychelles		UNEP, IAEA, WHO
(e) preliminary steps towards development of research and monitoring network in the region		UNEP in consultation with relevant organizations
(f) assessment of socio-economic activities that may have an impact on the marine and coastal environment		UNEP
(g) preparation of a regional environmental education programme		UNEP in co-operation with relevant organizations

First meeting of legal experts on regional legal agreements for the East African Region (FP/0503-82-04)	September 1983	UNEP, IMO, FAO, IUCN
Second meeting of legal experts on regional legal agreements for the East African Region (FP/0503-82-04)	February 1984	UNEP, IMO, FAO, IUCN
Conference of Plenipotentiaries of the States of the East African Region to adopt the Action Plan, the Convention and two Protocols	February 1984	UNEP
Continued implementation of priority programme developed within the framework of adopted action plan	February 1984 onwards	UNEP in co-operation with relevant organizations

6.6 The East Asian Seas (EAS)

Geographical coverage: the coastal waters and the adjacent coast of States bordering the Bay of Bengal, South China Sea, East China Sea, of Indonesian Archipelago States and of northern Australia. Due to the large size of the region and to the diversity of the problems, the area covered by the action plan is defined (Manila, April 1981) as "the marine environment and coastal areas of Indonesia, Malaysia, Philippines, Singapore and Thailand without prejudice to its future extension so as to cover the marine environment and coastal area of all States bordering the East Asian Seas as may be determined at a later stage".

Activity and related project number	Timetable	Co-operative arrangements
The International Workshop on Marine Pollution in East Asian Waters (Penang) reviewed the major environmental problems related to marine pollution and identified activities which may contribute to pollution control. (FP/0501-75-01)	April 1976	IOC, FAO, UNEP
First Inter-agency Meeting on Regional Seas Programme (Paris)	June 1976	UNEP and other agencies
Third Session of the IPFC Working Party (Bangkok) provided information on environmental problems related to fisheries (FP/0502-75-01)	September 1976	FAO(IPFC), UNEP
Training Workshop organized on aquatic pollution in relation to protection of living resources. Scientific basis for management measures.	January/ February 1977	FAO, SIDA
A tripartite navigation safety agreement signed with provisions for a joint policy to be formulated in dealing with marine pollution.	February 1977	Govts. of Indonesia, Malaysia and Singapore
Mission visited Singapore, Indonesia and Malaysia to study oil pollution contingency planning. (FP/0503-76-08)	February-March 1977	IMCO, UNEP
ASEAN Contingency Plan for oil pollution control adopted.	1977	ASEAN countries
GC V decided (Decision 88 V.D) that steps are urgently needed to formulate and establish a scientific programme involving research, prevention and control of marine pollution and monitoring for waters of Indonesia, Malaysia, the Philippines, Singapore and Thailand	May 1977	UNEP
ESCAP/UNEP Intergovernmental Meeting on Environmental Protection Legislation (Bangkok). (FP/1400-77-01)	July 1978	ESCAP, UNEP
Regional Seminar on Human Uses of the Mangrove Environment and Management Implications (Dacca)	December 1978	UNESCO
ASEAN Expert Meeting on the Environment (Jakarta)	December 1978	ASEAN
A Directory of Indian Ocean Marine Research Centres issued (FP/1301-75-01)	December 1978	UNEP
Fifth Meeting of the ASEAN Experts Group on Marine Pollution (Manila)	February 1979	ASEAN
Workshop on Western Pacific (WESTPAC) (Tokyo)	February 1979	IOC
Mission visited the region (India, Indonesia, Philippines, Malaysia) to discuss with Governments and regional organizations possible elements for an Action Plan. (FP/0503-77-03)	March 1979	UNEP

First draft of a regional Action Plan formulated and informally presented to the representatives of States from EAS to GC 7 (FP/0503-77-03)	April 1979	UNEP
Consultations with UN agencies on the preparation of pilot projects for East Asian Seas. (FP/0503-77-03)	April - July 1979	UNEP, FAO, IMCO, UNESCO, WHO, UNIDO, UN/DIESA, IOC, ESCAP and others
Submission of draft Action Plan to all ASEAN Governments for comments and suggestions	May 1979	UNEP
Workshop on aquatic pollution in relation to protection of living resources: analysis of metals and organichlorines in biota (Manila)	May/June 1979	FAO, SIDA
National seminars on protection of the marine environment and related ecosystems in Asia and the Pacific (Jakarta, Manila, Kuala Lumpur, Bangkok)	May/June 1979	ESCAP, SEPS
Second Inter-agency Meeting on Regional Seas Programme (Rome). (FP/0503-77-03)	July 1979	UNEP and other agencies
Discussion of the Draft Action Plan at the Second Meeting of the Asean experts on the environment (Penang)	September 1979	ASEAN
Development of regional oil spill contingency arrangements in South-East Asia. (FP/0503-79-07)	September 1979 January 1980	IMCO, UNEP
Research into toxicity of oil dispersant chemicals on tropical and sub-tropical marine species. (FP/0503-79-09)	September 1979 - March 1980	IMCO, UNEP
Impact of pollution on the mangrove ecosystem and its productivity in South-East Asia - Preparatory Phase (FP/0503-79-04)	September 1979 - December 1980	FAO, UNESCO, IUCN, UNEP
Assessment of oil pollution and its impact on living aquatic resources in South-East Asia - Preparatory Phase (FP/0503-79-12)	September 1979 - December 1980	FAO, IOC, UNEP
Regional seminar on environmental impact assessment in South-East Asia. (FP/0503-79-05)	October 1979	WHO, UNEP
Overview of land-based pollution sources in South-East Asia (FP/0503-79-10)	October 1979 - December 1980	WHO, UNEP
Workshop on coastal area development and management in South-East Asia. (FP/0503-79-06)	December 1979	UN/DIESA, UNEP
Development of legal instruments for the protection of the marine environment in South-East Asia. (FP/0503-79-11)	January - March 1980	ESCAP/ECU, UNEP
River inputs to South-East Asian seas. (FP/0503-79-08)	January - December 1980	UNESCO, UNEP
Environmental problems of offshore exploration and exploitation in South-East Asia. (FP/0503-79-13)	March - May 1980	ESCAP (CCOP)
First meeting of experts to review the draft action plan and to agree upon the workplan for its implementation (Baguio) (FP/0503-80-05)	June 1980	UNEP
Informal consultations on the legal component of the draft action plan during UNCLOS (Geneva)	August 1980	Govts., UNEP
International workshop on the prevention, abatement and combating of pollution from ships in South-East Asian waters (Manila). (FP/0503-79-14)	November 1980	IMCO, UNEP

Second meeting of experts to review the draft action plan for the East Asian Seas (Bangkok). (FP/0503-80-05)	December 1980	UNEP
Preparation of a Directory of Marine Research Centres, compendium of marine pollution related projects and bibliography related to marine pollution of the Region. (FP/0503-79-04)	January - December 1981	FAO, UNEP
Intergovernmental meeting (Manila) adopted the Action Plan (FP/0503-80-05)	April 1981	UNEP
Development of a programme document and consultations on suitable institutional and financial arrangements (FP/0503-77-03)	July - October 1981	UNEP
Third Inter-Agency Meeting on Regional Seas Programme (Geneva) (FP/0503-77-03)	September 1981	UNEP and relevant agencies
Intergovernmental meeting to agree on programme implementation and supporting institutional and financial arrangements (Bangkok) (FP/0503-77-03)	December 1981	UNEP
Meeting of Government Experts on Regional Marine Programmes (Nairobi) (FP/0503-77-03, FP/0501-81-01)	January 1982	UNEP in co-operation with relevant organizations
First meeting of the co-ordination body on the seas of East Asia (COBSEA) (Bangkok) (FP/0503-77-03)	April 1982	UNEP
Finalization of projects with National Focal Points for implementing the approved programme (FP/0503-82-05)	June - July 1982	UNEP
Consultation with and advice to Governments of the region in the implementation of the priority projects for which they are responsible as follows (FP/0503-82-05):	July 1982 onwards	UNEP
(a) EAS-1 : Oceanography - Observation of maritime meteorological phenomena (EAS 1.1) - Study of oceanographic features (EAS 1.2)	July 1982 onwards	Thailand with assistance from UNEP
(b) EAS-2 : Assessment of Oil Pollution - Survey of sources and monitoring of oil pollution (EAS 2.1) EAS-7 : Information and Data Exchange	July 1982 onwards	Indonesia with assistance from UNEP
(c) EAS-2 : Assessment of Oil Pollution - Co-operative research on oil and oil dispersant toxicity (EAS 2.2)	July 1982 onwards	Malaysia with assistance from UNEP
(d) EAS-3 : Assessment of Non-Oil Pollutants - Study of concentration levels and trends of non-oil pollutants (EAS 3.2) - Study of the effects of non-oil pollutants on the marine environment (EAS 3.3)	July 1982 onwards	Philippines with assistance from UNEP
(e) EAS-4 : Coral Ecosystems - Survey of the state of coral resources (EAS 4.1) - Effects of pollutants and destructive factors on coral communities and related fisheries (EAS 4.2)	July 1982 onwards	Philippines with assistance from UNEP
Project documents supporting the priority projects signed	November 1982	UNEP, relevant Govts. and international organizations
Second meeting of the co-ordinating body on the seas of East Asia (Jakarta) (FP/0503-82-05)	November/ December 1982	UNEP
Implementation of the priority projects	November 1982 onwards	Institutions designated by relevant Govts. with assistance of UNEP and international organizations
Symposium on regional co-operation on the protection of the environment (Dunedin) to review interregional co-operation between SE/PCF and EAS action plans (FP/0503-82-05)	February 1983	Pac.Sci. Association, UNEP

6.7 The Red Sea (RED)

Geographic coverage for the purpose of the Action Plan and the Convention: "the Red Sea, Gulf of Aqaba, Gulf of Suez, Suez Canal to its end on the Mediterranean, and the Gulf of Aden as bounded by the following rhumb lines: from Ras Dharbat Ali (Lat. 16°39' N, Long. 53°03' E), thence to a point (Lat. 16°00' N, Long. 53°25' E), thence to a point (Lat. 12°40' N, Long. 55°00' E) lying E.N.E. of Socotra Island, thence to Ras Hafun (Lat. 10°26' N, Long. 51°25' E)." The coastal area to be covered by the Action Plan will be identified by the relevant Governments of the Region on an ad hoc basis depending on the type of activities to be carried out.

Note: The co-ordination of the activities relevant to this region is handled by ALECSO. UNEP's support is limited to assistance to the environmental assessment component of the Action Plan.

Activity and related project number	Timetable	Co-operative arrangements
Preparatory conference convened (Jeddah) to discuss the elements of a regional Action Plan. (FP/0503-75-02)	November 1974	ALECSO
Action Plan for the Red Sea and Gulf of Aden adopted at the Intergovernmental Conference (Jeddah). (FP/0503-75-02)	January 1976	ALECSO
First Inter-agency Meeting on Regional Seas Programme (Paris)	June 1976	UNEP and other agencies
Co-ordination of the Red Sea Programme assigned to ALECSO by UNEP. (FP/0503-77-01)	March 1977	UNEP, ALECSO
Seminar on monitoring and evaluation of oil pollution (Alexandria) (FP/0503-77-01)	December 1977	ALECSO, UNEP
Joint programming session (Cairo) to review the progress on the implementation of the Action Plan. (FP/0503-77-01)	January 1978	ALECSO, UNEP

Meeting of Government Experts followed by Conference of Plenipotentiaries on Convention and Action Plan for the Conservation of the Red Sea and Gulf of Aden (Jeddah) adopted the Action Plan for the Conservation of the Marine Environment and Coastal Areas in the Red Sea and Gulf of Aden and signed the Regional Convention for the Conservation of the Red Sea and Gulf of Aden and the Protocol concerning Regional Co-operation in Combating Pollution by Oil and other Harmful Substances in Cases of Emergency	February 1982	ALECSO
Implementation of the Action Plan adopted in Jeddah	March 1982 onwards	ALECSO
Meeting on Arab Pollution Control and Monitoring Networks (Tunis)	November 1982	ALECSO
First Meeting of the Arab Council for the Marine Environment (Latakia)	December 1982	ALECSO
Joint programming session to review the progress of the Action Plan	January 1983	ALECSO, UNEP
Workshop on environmental impact assessment of coastal area development in the KAP and RED regions (Dubai)	March/April 1982	Univ. of Aberdeen, ROPME, ALECSO, UNEP

6.8 The South-West Pacific (PCF/SW)

Geographical coverage (Rarotonga, March 1982): "area covered by the area of responsibility of the South Pacific Commission, together with any associated national maritime resource management zones. Countries and territories within this area are: American Samoa, Cook Islands, Federated States of Micronesia, Fiji, French Polynesia, Guam, Kiribati, Marshall Islands, Nauru, New Caledonia, Northern Mariana Islands, Palau, Papua New Guinea, Pitcairn Island, Solomon Islands, Tokelau, Tonga, Tuvalu, Vanuatu, Wallis and Futuna and Western Samoa.

Note: The activities relevant to the regional action plan for the South-West Pacific region are co-ordinated by the Secretariat of the South Pacific Regional Environment Programme (SPREP) under the guidance of a Co-ordinating Group consisting of representatives of South Pacific Commission (SPC), South Pacific Bureau for Economic Co-operation (SPEC), ESCAP and UNEP.

Activity and related project number	Timetable	Co-operative arrangements
At the XIII Pacific Science Congress (Vancouver) the organization of a South Pacific Conference on Human Environment was proposed by UNEP	August 1975	
IDOE International Workshop on Geology, Mineral Resources and Geophysics of the South Pacific (Suva)	September 1975	CCOP/SOPAC, IOC
First Inter-agency Meeting on Regional Seas Programme (Paris)	June 1976	UNEP and other agencies
International Pacific Symposium on the Utilization and Development of the Pacific Ocean (Tokyo)	November - December 1976	Ocean Assoc. of Japan
ESCAP/UNEP Joint Programming Session (Bangkok) discussed the organization of a South Pacific Conference on Human Environment	March 1977	ESCAP, UNEP
Draft comprehensive environmental management programme prepared by SPEC and SPC and discussed with Governments, regional organizations and selected UN organizations	March 1977	SPEC, SPC
XXXIV Session of ESCAP (Bangkok) endorsed the convening of a South Pacific Conference on Human Environment and recommended SPEC and SPC as co-ordinators for the organization of the conference	March 1978	ESCAP
Second Technical Meeting on the South Pacific Regional Environment Programme (Noumea)	June 1978	SPC, SPEC, UNEP
First Session of the IOC Working Group for the Western Pacific and Associated WESTPAC Workshop (Tokyo)	February 1979	IOC
Second Inter-agency Meeting on Regional Seas Programme (Rome). (FP/0503-77-03)	July 1979	UNEP and other agencies
XXIV Pacific Science Congress (Khabarovsk) including a symposium on the pollution of the Pacific Ocean (FP/1105-78-02)	August - September 1979	USSR State Committee for Science and Technology and the USSR Academy of Sciences
First meeting of the joint SPEC/SPC/ESCAP/UNEP Co-ordinating Group (Noumea). (FP/0503-79-15)	January 1980	SPEC, SPC, ESCAP, UNEP
Appointment of the Secretary of the Joint Co-ordinating Group (FP/0503-79-15)	January 1980	SPC

Consultations with Governments, selected UN bodies and regional organizations on preparation of country reports and on assistance Governments might need in this connection (FP/0503-79-15)	February - March 1980	SPEC, SPC
Preparation of country environment reports	February - August 1980	Govts. of the region, SPC
Analysis of the country reports and preparation of the basic working documents (report on the state of the environment of the region, draft declaration of principles on the management and improvement of the environment in the region, draft action plan for the development and protection of the region, proposal for administrative and financial arrangements supporting the action plan). (FP/0503-79-15)	August 1980 - March 1981	SPEC, SPC, ESCAP, UNEP and other organizations as appropriate
Second meeting of the Joint Co-ordinating Group to review the country reports (Suva). (FP/0503-79-15)	November 1980	SPEC, SPC, ESCAP UNEP
Third meeting of the Joint Co-ordinating Group to review the basic working documents (Noumea). (FP/0503-79-15)	March 1981	SPEC, SPC, ESCAP, UNEP
Meeting of technical experts to review and revise the basic working documents (Noumea). (FP/0503-79-15)	June 1981	SPEC, SPC, ESCAP, UNEP
Fourth meeting of the Joint Co-ordinating Group to analyse the results of the expert meeting and advise on arrangements relevant to the Regional Conference (Noumea). (FP/0503-79-15)	June 1981	SPEC, SPC, ESCAP, UNEP
Third Inter-Agency Meeting on Regional Seas Programme (Geneva) (FP/0503-77-03)	September 1981	UNEP and relevant agencies
Fifth meeting of the Joint Co-ordinating Group to finalize arrangements for the Regional Conference (Suva) (FP/0503-79-15)	November 1981	SPEC, SPC, ESCAP, UNEP
Meeting of Government Experts on Regional Marine Programmes (Nairobi) (FP/0503-77-03, FP/0501-81-01)	January 1982	UNEP in co-operation with relevant organizations
Regional Conference on Human Environment (Rarotonga) reviewed the report on the State of the Environment in the South-West Pacific and adopted the (FP/0503-79-15):	March 1982	SPEC, SPC, ESCAP and UNEP
(a) South Pacific Declaration on Natural Resources and the Environment;		
(b) Action Plan for Managing the Natural Resources and Environment of the South Pacific Region;		
(c) Administrative Arrangements and Financing for the next phase of SPREP;		
(d) Workplan for the next phase of SPREP.		
Analysis of international, regional and national legislation relevant to the protection of the region's environment, and the preparation of draft regional legal agreements	September - November 1982	SPC with assistance of UNEP
Preparation of reviews on:	September - December 1982	SPC in consultation with SPEC and UNEP
(a) natural and artificial radioactivity in the Pacific (sources, present levels, trends and effects);		
(b) storage and dumping of hazardous wastes in the Pacific		
Collection of basic information for the Directory of National Research Centres and for the Bibliography of publications related to coastal and marine environmental problems	September 1982 - January 1983	SPC

Review of SPREP at the South Pacific Conference (Pago Pago, American Samoa) and agreement on Governments financial contributions to SPREP	October 1982	SPC
Distribution of the New Zealand data maps and definition of the requirements for the data maps for specific countries of the Region	October - November 1982	SPC
Workshop on environmental management of the South Pacific (Suva, Fiji)	November 1982	ESCAP
Meeting of the Co-ordinating Group (Guam) to review the progress of SPREP implementation in the light of decisions taken by the South Pacific Conference	November 1982	SPC, SPEC, ESCAP, UNEP

Preparation of data maps for selected countries of the Region	January - December 1983	SPC in co-operation with Govt. of New Zealand
Symposium on regional co-operation on the protection of the environment (Dunedin) to review interregional co-operation between SE/PCF, SW/PCF and EAS action plans	February 1983	Pac.Sci. Association, SPC, UNEP
Meeting of the Co-ordinating Group to review the progress of SPREP implementation	March 1983	SPC, SPEC, ESCAP and UNEP
Selection of subregional environmental pollution control centre and approval of its workplan	March 1983	SPC, SPEC, ESCAP and UNEP
Conference of plenipotentiaries to adopt and sign the regional legal agreements	March 1983	SPC in co-operation with SPEC, ESCAP and UNEP
Preparation of guidelines for conservation and management of coastal ecosystems	April - July 1983	SPC
Publication of the Directory of National Research Centres and the Bibliography related to coastal and marine environmental problems	mid-1983	UNEP in co-operation with SPC
Training course on remote sensing applied to environmental marine monitoring and assessment	mid-1983	ESCAP
Establishment and operation of subregional environmental pollution control centre	June - December 1983	SPC
Training course for oil spill control and development of subregional contingency plans	late 1983	SPC in co-operation with IMO and UNEP
Publication of the guidelines for conservation and management of coastal ecosystems	late 1983	SPC
Meeting of the Co-ordinating Group to review the progress of SPREP implementation	late 1983	SPC, SPEC, ESCAP and UNEP

6.9 The South-East Pacific (PCF/SE)

Geographically defined:

- a) for the purpose of the Action Plan (Lima, 1981): "the marine environment and the Pacific coastal areas of the following States: Chile, Colombia, Ecuador, Panama and Peru".
- b) for the purpose of the Convention for the Protection of the Marine Environment and Coastal Zones of South-East Pacific (Lima, 1981): "the sea area and the coastal zones of the South-East Pacific within the 200-mile maritime area of sovereignty and jurisdiction of the High Contracting Parties and beyond that area in the high seas up to a distance within which pollution of the high seas may affect the area".
- c) for the purpose of the Agreement on Regional Co-operation for Combating the Contamination of South-East Pacific by Hydrocarbons and other Harmful Substances in Cases of Emergency (Lima, 1981): "the sea area of the South-East Pacific within the 200-mile maritime area of sovereignty and jurisdiction of the High Contracting Parties and beyond that area in the high seas up to a distance within which discharged pollutants constitute a danger to the waters of the aforesaid maritime area".

Note: UNEP's input into the preparatory activities leading to the formulation of a regional action plan are mainly channeled through the Permanent Commission for the South Pacific (CPPS)

Activity and related project number	Timetable	Co-operative arrangements
Survey of sources and levels of marine pollution in South-East Pacific carried out (1975) and published (1976) by CPPS	1975 - 1976	CPPS
First Inter-agency Meeting on Regional Seas Programme (Paris)	June 1976	UNEP and other agencies
The International Workshop on Marine Pollution (Santiago) reviewed the major environmental problems related to marine pollution, formulated guidelines for the Convention on the Protection of the Marine Environment against Pollution in South-East Pacific and prepared the first draft of an Action Plan for pollution research and monitoring and the establishment of the mechanism to co-ordinate its implementation (FP/0503-77-03)	November 1978	CPPS, FAO, IOC, UNEP
Second Inter-agency Meeting on Regional Seas Programme (Rome). (FP/0503-77-03)	July 1979	UNEP and other agencies
