**Parliament Conference: A GEF "First"**

The panel Discussion during the Parliamentary Conference

The "Regional Conference on Parliamentary Roles in Protection and Sustainable Use of Marine Environment and Resources in the Yellow Sea" was organized in Qingdao, China, 28-30 March 2006, as one of the awareness activities of the Project. [\[more\]](#)

**Yellow Sea Partnership Workshop**

The Partnership Workshop in Beijing, China

The Project has actively been co-operation with relevant international organizations and NGOs, to enhance the effectiveness of its own conservation activities and the transmission of information produced by this greater stakeholdership. [\[more\]](#)
