Bay of Bengal Large Marine Ecosystem Project

Workshop objectives

1. **Note the current status of the Project**

2. **Promote understanding of Monitoring and Evaluation and provide recommendations on the proposed M&E framework**

3. Learn more about major project topic areas, in particular: Large Marine Ecosystems; the Ecosystem Approach to resource management; socio-economic monitoring and livelihoods diversification; and TDA and SAP development

4. Promote awareness of developments that have occurred in each Project country that might affect the Project.

Workshop objectives

1. Note the current status of the Project

2. Promote understanding of Monitoring and Evaluation and provide recommendations on the proposed M&E framework

3. Learn more about major project topic areas, in particular: Large Marine Ecosystems; the Ecosystem Approach to resource management; socio-economic monitoring and livelihoods diversification; and TDA and SAP development

4. Promote awareness of developments that have occurred in each Project country that might affect the Project.

Workshop objectives

5. **Provide recommendations on the proposed project activities**

6. **Identify areas for collaboration and partnerships with regional bodies and non-government organisations**

7. **Note the work plan that is proposed to take the Project up to its First Project Steering Committee (PSC) meeting**

8. Prepare a list of actions that BOBLME countries need to undertake in preparation for the First PSC meeting

9. Endorse a process for the selection of one of the BOBLME countries to host the Project's Regional Coordination Unit (RCU).

Workshop objectives

5. Provide recommendations on the proposed project activities

6. Identify areas for collaboration and partnerships with regional bodies and non-government organisations

7. Note the work plan that is proposed to take the Project up to its First Project Steering Committee (PSC) meeting

8. Prepare a list of actions that BOBLME countries need to undertake in preparation for the First PSC meeting

9. Endorse a process for the selection of one of the BOBLME countries to host the Project's Regional Coordination Unit (RCU).
