

F&DMT update

Vol. 1

Project Steering Committee

The F&DMT project, with support from the [Lake Victoria Basin Commission \(LVBC\)](#), held the 1st Project Steering Committee meeting in Kisumu, Kenya. Download the draft meeting report [here](#).

PMU meet Governor of Kisumu

Final Inception Report

During the inception phase, the PMU held consultations with key stakeholders in the Volta Basin, Lake Victoria Basin and the Chao Phraya Basin. Findings from the consultations were used to modify the project document guiding the work of the PMU. The [Inception Report](#) reflects these changes to the project document.

["Learning to live with water in the Chao Phraya"](#) | Paul Bell, IWA

Stakeholder consultations

The PMU has been carrying out additional consultations in the 3 basins on the application area for validation and testing of the proposed DSS. Findings from the meetings will be available soon via the [website](#).
