Blue Nature Alliance
LME22 Session 5

July 2023

BLUE NATURE ALLIANCE

Blue Nature Alliance Conservation Finance

WHAT WE DO

Design/deploy innovative and sustainable financing strategies and mechanisms to support ocean conservation at scale.

PARTNERSHIPS

McKinsey & Co. Nature Analytics Team

Minderoo Ocean Finance Program

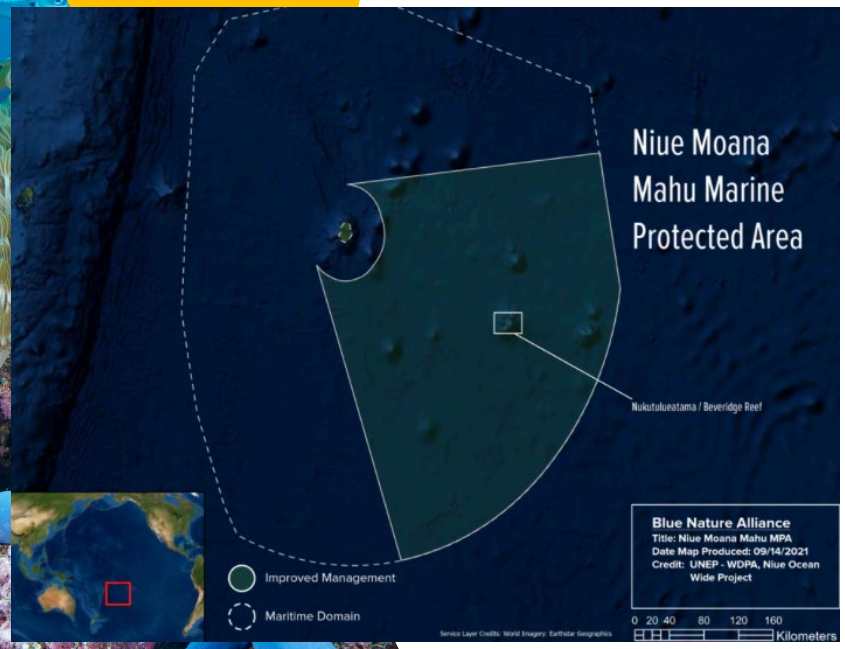
OPPORTUNITIES

Build global momentum around nature markets and biodiversity credits

Enhance value proposition for marine protection by integrating protections with sustainable opportunities

Scope opportunities for debt refinance deals

Niue Site Engagement



PARTNER: Niue Ocean Wide (NOW) & Government of Niue

OPPORTUNITY: Improve the management of over 13,700,000 hectares of ocean conservation area through the design and establishment of a sustainable finance model to generate financial revenues in support of the implementation of the Moana Mahu MPA.

CONSERVATION FINANCE UNLOCK: Pioneer work to monetize ocean biodiversity conservation and sustainable blue development outcomes through the design and launch of Ocean Conservation Commitments, advancing markets for global ocean conservation efforts.
